

Recommended a Footprint pattern of NQPACK080SB(-SL)

*1. Non-through hole is requested when using NQPACK080SB-SL type.

* 2. Recommended foot pattern shown on above is for NQPACK soldering.

But please refer to IC package foot pattern recommended by IC manufacturer also, when the package is soldered on the same foot pattern.

Part No.	NQPACK080SB(-SL)
IC package	Square
Pin count	80pin
Lead pitch	0.65mm
Unit	mm
Design / Date	M.Miura / May.01.'06
TET TOKYO ELETECH CORP.
